

LOVE IS PLEASING - CHORD CHART

I

V

I wish, I wish, I wish in vain

V

I

I wish I was a youth again

I

V

But a youth again I can never be

V

I

Till apples grow on an ivy tree

I

V

I left me father, I left me mother

V

I

I left all my sisters and brothers too

I

V

I left all my friends and me own religion

V

I

I left them all for to follow you

I V
But the sweetest apple is the soonest rotten

V I
And the hottest love is the soonest cold

I V
And what can't be cured love has to be endured love

V I
And now I am bound for America

I V
Oh love is pleasin' and love is teasin'

V I
And love is a pleasure when first it's new

I V
But as it grows older sure love grows colder

V I
And it fades away like the morning dew

I

V

And love and porter makes a young man older

V

I

And love and whiskey makes him old and grey

I

V

And what can't be cured love has to be endured love

V

I

And now I am bound for America
